## EXPERIENCE

### Wordpress Developer at Mega Web Link ↗

November 2025 - 2026

*Role - Wordpress Developer*

Dillibazar, Kathmandu

- Developed and customized WordPress themes and plugins, including custom post types and Advanced Custom Fields (ACF Pro).
- Delivered 20+ custom WordPress themes and dynamic websites using HTML, CSS, JavaScript, and PHP, with integrated booking systems and Contact Form 7 to support user engagement and lead generation.
- Optimized website performance, fixed bugs, and ensured responsive design across all devices.
- Attended training sessions on **Wordpress, JS and UI/UX**.

### Intern and Training at ThinkNext Technology ↗

March 2023 - June 2023

*Role - Front-End Developer*

Mohali, Chandigarh

- Developed responsive and interactive web interfaces using **HTML, CSS, Bootstrap, and JavaScript**.
- Implemented authentication systems, search functionality, and dynamic user features.

## PROJECTS

### Irish Flooring Company ↗ | WordPress, PHP, HTML, CSS, JavaScript, Bootstrap, ACF Pro

- Developed a responsive business website using **WordPress** with custom templates built in PHP, HTML, CSS, and Bootstrap.
- Developed a dynamic “Flooring Services” booking and contact form system to simplify customer inquiries and appointment requests.
- Built a customizable WordPress interface that enables clients to manage site content and images independently without coding.

### Via Logistic ↗ | WordPress, PHP, HTML, CSS, JavaScript, Bootstrap, ACF Pro

- Built a responsive business website using WordPress with custom templates in PHP, HTML, CSS, and Bootstrap, integrating Contact Form 7 and ACF Pro.
- Designed and implemented an interactive “Get a Quote” and contact form system to streamline customer inquiries and capture shipment requirements.
- Enabled clients to easily update website content and images through the WordPress admin panel without coding.

### Smart Holidays ↗ | WordPress, PHP, HTML, CSS, JavaScript, Bootstrap, ACF Pro

- Created a responsive travel website using WordPress with custom templates built in PHP, HTML, CSS, and Bootstrap, integrating Contact Form 7 and ACF Pro.
- Designed and implemented a dynamic booking and contact form system for tours and destinations, improving inquiry flow and trip requests.
- Developed a user-friendly admin panel enabling clients to manage blogs, destinations, team profiles, and travel details without coding.
